### **Saint Paul's College Receives \$50,000 Gift from Wine Trust**

LAWRENCEVILLE, VA. Robert L. Satcher, President of Saint Paul's College, announced the receipt of a \$50,000 unrestricted gift to the College from the Estate of Dr. Jean F. Wine.

Dr. Wine was a native of Harrisonburg, Virginia where he practiced medicine for more than 50 years. Recently, he had retired to Bridgewater, Virginia. He was a longtime supporter of The Episcopal Church.

In acknowledging the gift, Dr. Satcher stated, "We are immensely please and gratified, and furthermore, encouraged by the kind generosity of the late Dr. Wine. What a blessing it is for Saint Paul's College to be remembered at time when the upheaval in the nation's economy is having adverse effects on all of our operations. We thank God for the late Dr. Wine."

The funds received will be used to create the Dr. Jean F. Wine Endowment. The endowment will serve as a source of emergency funds for students enrolled at the College.
